The 2013 Lauderdale Air Show, presented by B.Lilley Productions, LLC, is scheduled to be held on Fort Lauderdale Beach this Saturday, April 20th, 2012 and Sunday, April 21st, 2013. This year the Lauderdale Air Show events will be curtailed from the previously held Air Shows, which the community is familiar with from past years. This year's Air Show is scheduled to take place from 1:00 P.M. until 3:00 P.M. on Saturday and Sunday. (See B.Lilley Productions, LLC - Lauderdale Air Show Q & A Attachment)

The Fort Lauderdale Police Department will head the public safety and security operations along with the assistance of multiple local, county, state and federal law enforcement agencies. Additional lifeguards and Fort Lauderdale Fire Rescue personnel will be on site providing ocean safety and medical assistance. First Aid tents will be located throughout the main event area.

On Saturday and Sunday, from 5:00 A.M. to 5:00 P.M., the main entrances to the beach area will be **Oakland Park Boulevard**, North of the Northeast 14th Court / North A1A road closure and **South East 17 Street**, South of the A1A/Vistamar Street closure.

- Ticket holders will be directed to enter the show at the main gate located at Sunrise Boulevard and A1A. There will be a secured fence, from the sidewalk at Northeast 14th Court and A1A to the waterline, restricting general public / non-ticket holding spectators, from accessing the area.
- Spectators without tickets will be directed to use the sidewalk located on the west side of A1A.

Motorist utilizing all roadways on the barrier island and surrounding areas should anticipate heavy congestion and traffic delays.

Parking Enforcement:

Due to the high volume of traffic expected for the Lauderdale Air Show, the Fort Lauderdale Police Department reminds motorists to park only in designated parking areas. Commuters are cautioned when parking along the residential neighborhoods, as any parking violations will be strictly enforced. In addition, Police officers will be stationed at all nearby main intersections to assist with vehicular traffic flow.

The Fort Lauderdale Police Department will be issuing wristbands for children up to age 12; free of charge. Parents and guardians are encouraged to bring their children to the Broward Sheriff's Office Mobile Command Vehicle, which will be stationed at Sunrise Boulevard and Breakers Avenue, or one of the Fort Lauderdale Fire Department fire trucks, which will be stationed at Northeast 14th Court / A1A and Vistamar Street / A1A.
