Mohammad Javad Zarif
Honorable Foreign Minister of the Islamic Republic of Iran
622 Third Avenue, 34th Floor
New York, NY 10017

Dear Mr. Zarif:

I am writing this letter to you as Mayor of Coral Springs, Florida but also as a fellow human being. As you are aware Bob Levinson vanished on March 9, 2007 when visiting Kish Island.

He is being held hostage somewhere. I read with interest that you were happy for all of the families of the gentlemen that were released from confinement in your country. You mentioned now the families have their loved ones with them.

Bob Levinson is a resident in my small city in Florida. His family desperately wants him to return home. I implore the Islamic Republic of Iran to actively assist in finding Bob Levinson and help him return to his loved ones.

Thank you for your help.

Sincerely,

Skip Campbell
Mayor
