

Affordable rent

Consumers shouldn't spend more than 30 percent of their salaries on housing costs. Based on that standard, this chart shows the maximum affordable rent based on various income levels.

Pre Tax Annual Salary	Annual Federal Tax Liability	After Federal Tax Annual Salary	Monthly Rent Affordable w/o spending more than 30% of monthly income on rent
\$40,000	\$5,226	\$34,774	\$869
\$50,000	\$6,651	\$43,349	\$1,084
\$60,000	\$9,151	\$50,849	\$1,271
\$100,000	\$19,204	\$80,796	\$2,020
