THE GRAND JURY CHARGES:

COUNT ONE
(RICO Conspiracy)

Introduction

At times relevant to this Indictment:

1. The U.S. Department of Transportation (“USDOT”), Federal Motor Carrier Safety Administration (“FMCSA”), monitors and enforces regulations governing safety and commerce for interstate motor carriers, to include federal regulations governing the transportation of household goods by licensed motor carriers (*i.e.*, movers).

2. Federal regulations require all interstate motor carriers transporting household goods for individual shippers by motor vehicle to follow federal regulations relating to the interstate transportation of household goods.

3. Under federal regulations, motor carriers who move household goods must be licensed and registered with the USDOT. To do so, each interstate motor carrier must first apply to operate as a motor carrier of household goods and receive a USDOT number.

4. Federal forms that interstate motor carriers must complete to operate as movers of household goods include the OP-1 form, the MCSA-1 form, and the MCS-150 form, which are registration and information forms. The OP-1 form, the MCSA-1 form, and the MCS-150 form require that a representative for the interstate motor carrier certify that all information contained in the respective form is true and correct.

5. Under federal regulations, the USDOT requires interstate motor carriers, among other things, to provide estimates of moving charges to potential customers in writing, indicating whether the estimate is a “binding” or “nonbinding” estimate.

6. With a binding estimate, the customer and the motor carrier must both agree in writing to a charge for services prior to the start of any work. When an estimate is binding, USDOT prohibits the interstate carrier from raising the price of the move unless the interstate motor carrier and the customer re-negotiate the price prior to the commencement of the move. USDOT regulations

forbid interstate motor carriers from increasing the price of a move above the price set forth in a binding estimate after loading customers' household goods.

7. Failure to meet USDOT requirements can result in a motor carrier being "placed out of service," which means the interstate motor carrier is no longer authorized under federal law to operate as a mover of household goods, and must cease operations.

8. On or about October 31, 2008, JBR Underground, LLC, doing business as United National Moving and Storage, was authorized by USDOT to operate as a mover of household goods. USDOT ordered JBR Underground, LLC to cease operating as a mover of household goods on or about September 14, 2015.

9. On or about September 19, 2014, National Relocation Solutions was authorized by USDOT to operate as a mover of household goods. USDOT ordered National Relocation Solutions to cease operating as a mover of household goods on or about October 26, 2015.

10. On or about November 18, 2014, Independent Van Lines submitted an application to USDOT to operate as a mover of household goods; however, Independent Van Lines failed to comply with other USDOT requirements to obtain authority to operate. USDOT dismissed the application on or about April 27, 2015.

11. On or about December 24, 2014, National Relocation Van Lines was authorized by USDOT to operate as a mover of household goods. USDOT ordered National Relocation Van Lines to cease operating as a mover of household goods on or about September 17, 2015.

12. On or about September 18, 2015, US Relocation Systems was authorized by USDOT to operate as a mover of household goods. USDOT ordered US Relocation Systems to cease operating as a mover of household goods on or about June 14, 2016.

13. On or about March 17, 2016, First National Moving and Storage was authorized by USDOT to operate as a mover of household goods. USDOT ordered First National Moving and Storage to cease operating as a mover of household goods on or about October 4, 2016.

14. On or about August 17, 2016, Public Moving and Storage was authorized by USDOT to operate as a mover of household goods. USDOT ordered Public Moving and Storage to cease operating as a mover of household goods on or about July 3, 2017.

15. On or about February 21, 2017, Public Moving Services was authorized by USDOT to operate as a mover of household goods. USDOT ordered Public Moving Services to cease operating as a mover of household goods on or about October 18, 2017.

16. On or about July 3, 2017, Smart Relocation Solutions, a/k/a Presidential Moving Services, was authorized by USDOT to operate as a mover of household goods. USDOT ordered Smart Relocation Solutions, a/k/a Presidential Moving Services, to cease operating as a mover of household goods on or about March 19, 2018.

17. On or about December 19, 2017, Unified Van Lines was authorized by USDOT to operate as a mover of household goods. USDOT ordered Unified Van Lines to cease operating as a mover of household goods on or about May 25, 2018.

18. On or about April 26, 2018, Flagship Van Lines was authorized by USDOT to operate as a mover of household goods.

The Racketeering Enterprise

19. At times relevant to this Indictment, the defendants, **ANDREY SHUKLIN, SERGHEI VERLAN, PHYLLIS RICCI QUINCOCES, a/k/a "Faith Ashford," "Grace Rubestello," "Phyllis Ricci," "Phyllis Ann,"** [REDACTED]

[REDACTED] **VLADIMIR PESTEREANU, a/k/a "Vova,"** [REDACTED]

[REDACTED], **ROMAN IAKOVLEV,** [REDACTED] [REDACTED], [REDACTED]

JESSICA MARTIN, a/k/a “Emma Ricci,” “Mary Austin,” and [REDACTED] and others known and unknown to the Grand Jury, operated and worked through the companies set forth in paragraphs 8 through 18 of the Indictment, namely, JBR Underground, LLC, United National Moving and Storage, National Relocation Solutions, Independent Van Lines, National Relocation Van Lines, US Relocation Systems, First National Moving and Storage, Public Moving and Storage, Public Moving Services, Smart Relocation Solutions, Presidential Moving Services, Unified Van Lines, and Flagship Van Lines, referred to collectively hereinafter as the “affiliated companies,” as if they were a single corporate entity.

20. At times relevant to this Indictment, the defendants, and others known and unknown to the Grand Jury, owned, operated, and worked as employees, members, and associates of the affiliated companies to move interstate shipments of household goods.

21. At times relevant to this Indictment, **SHUKLIN** and **VERLAN** coordinated and directed lower-level employees, members, and associates of the affiliated companies.

22. At times relevant to this Indictment, **SHUKLIN** and **VERLAN** operated the affiliated companies out of multiple locations throughout the United States, including Florida, Ohio, Maryland, North Carolina, Illinois, Texas, California, Connecticut, Colorado, and Missouri. **SHUKLIN** and **VERLAN** operated the affiliated companies principally out of a business address in Hollywood, Florida. Starting on or about October 2015, **SHUKLIN** and **VERLAN** also operated the affiliated companies out of a warehouse in West Chester, Ohio, which is located in the Southern District of Ohio.

23. The defendants, **ANDREY SHUKLIN, SERGHEI VERLAN, PHYLLIS RICCI QUINCOES, a/k/a “Faith Ashford,” “Grace Rubestello,” “Phyllis Ricci,” “Phyllis Ann,”** [REDACTED] **VLADIMIR PESTEREANU, a/k/a**

“Vova,” [REDACTED] [REDACTED] ROMAN IAKOVLEV, [REDACTED], [REDACTED], JESSICA MARTIN, a/k/a “Emma Ricci,” “Mary Austin,” and [REDACTED] [REDACTED] and JBR Underground, LLC, United National Moving and Storage, National Relocation Solutions, Independent Van Lines, National Relocation Van Lines, US Relocation Systems, First National Moving and Storage, Public Moving and Storage, Public Moving Services, Smart Relocation Solutions, Presidential Moving Services, Unified Van Lines, and Flagship Van Lines, and others known and unknown to the Grand Jury, constituted an “Enterprise” as defined in Section 1961(4) of Title 18, United States Code, that is, a group of individuals and entities associated in fact that engaged in, and the activities of which affected, interstate and foreign commerce, referred to hereinafter as the “Moving Enterprise.” The Moving Enterprise constituted an ongoing organization whose members functioned as a continuing unit for the common purpose of achieving the objectives and purposes of the Moving Enterprise.

Purposes of the Enterprise

24. The purposes of the Moving Enterprise included the following:

(a) Enrich the Moving Enterprise and the owners, operators, employees, members, and associates of the Moving Enterprise by defrauding, extorting, and stealing from customers who hired affiliated companies of the Moving Enterprise to move their household goods.

(b) Promote and perpetuate the Moving Enterprise and shield its criminal affairs from law enforcement authorities and customers by concealing the true owners, operators, employees, and operations of affiliated companies of the Moving Enterprise.

The Racketeering Conspiracy

25. Between in or about April 2013, and continuing through the date of this Indictment, in the Southern District of Ohio and elsewhere, the defendants, **ANDREY SHUKLIN, SERGHEI**

VERLAN, PHYLLIS RICCI QUINCOCES, a/k/a “Faith Ashford,” “Grace Rubestello,”
“Phyllis Ricci,” “Phyllis Ann,” [REDACTED]

VLADIMIR PESTEREANU, a/k/a “Vova,” [REDACTED] [REDACTED] [REDACTED] [REDACTED]

[REDACTED] ROMAN IAKOVLEV, [REDACTED] [REDACTED], [REDACTED]

[REDACTED], JESSICA MARTIN, a/k/a “Emma Ricci,” “Mary Austin,” and [REDACTED]

[REDACTED] and others known and unknown to the Grand Jury, each being a person employed by, a member of, and associated with the Moving Enterprise, an Enterprise engaged in, and the activities of which affected, interstate and foreign commerce, together with others known and unknown to the Grand Jury, did knowingly and intentionally conspire to conduct and participate, directly and indirectly, in the conduct of the affairs of the Moving Enterprise through a pattern of racketeering activity, as defined in 18 U.S.C. § 1961(1) and (5), consisting of multiple acts indictable under:

- (a) 18 U.S.C. § 1343 (relating to wire fraud) and § 2;
- (b) 18 U.S.C. § 659 (relating to the theft from interstate shipment) and § 2;
- (c) 18 U.S.C. § 1951(a) (relating to interference with commerce, robbery, or extortion) and § 2;
- (d) 18 U.S.C. § 1028(a) (relating to fraud and related activity in connection with identification documents) and § 2.

26. It was part of the conspiracy that each defendant agreed that a conspirator would commit at least two acts of racketeering activity in the conduct of the affairs of the Moving Enterprise.

Manner and Means of the Conspiracy

27. Among the manner and means employed by the members in conducting and participating in the affairs of the Moving Enterprise were the following:

- (a) It was part of the conspiracy that members of the Moving Enterprise furthered the conspiracy by making false representations to the USDOT and employees of the

USDOT in order for the Moving Enterprise, through the affiliated companies, to operate as an interstate mover of household goods. This included misrepresentations to the USDOT that affiliated companies of the Moving Enterprise did not share common owners, operators, managers, and employees.

(b) It was further part of the conspiracy that members of the Moving Enterprise caused counterfeit identification documents (including counterfeit drivers' licenses) to be produced, transferred, used, and possessed to conceal the leadership of affiliated companies of the Moving Enterprise.

(c) It was further part of the conspiracy that, after customers complained to the USDOT about the criminal actions taken by the Moving Enterprise, members of the Moving Enterprise submitted documents to federal regulators containing misrepresentations in order to operate a new affiliated company of the Moving Enterprise as an interstate carrier of household goods.

(d) It was further part of the conspiracy that members of the Moving Enterprise used aliases when working on behalf of affiliated companies of the Moving Enterprise to conceal their identities from law enforcement and customers.

(e) It was further part of the conspiracy that members of the Moving Enterprise submitted fake reviews to online sources regarding services provided by affiliated companies of the Moving Enterprise to induce customers to choose the Moving Enterprise.

(f) It was part of the conspiracy that members of the Moving Enterprise used wire communications, such as emails, to send false representations to customers and potential customers to induce customers to hire affiliated companies of the Moving Enterprise to move the customers' household goods.

(g) It was part of the conspiracy that members of the Moving Enterprise

furthered the conspiracy by emailing to customers “binding” moving estimates without first conducting an on-site inspection of the household goods.

(h) It was further part of the conspiracy that binding estimates that members of the Moving Enterprise offered to customers were low so as to induce customers to hire the Moving Enterprise to move the customers’ household goods.

(i) It was further part of the conspiracy that, after agreeing to a binding estimate and loading customers’ household goods, members of the Moving Enterprise increased the cost of moves above the price agreed to in the binding estimate.

(j) It was further part of the conspiracy that, after agreeing to a binding estimate and loading customers’ household goods, members of the Moving Enterprise falsely claimed that the customers’ household goods took up more cubic footage than was set forth in the binding estimate.

(k) It was further part of the conspiracy that members of the Moving Enterprise misrepresented to customers the amount of actual cubic footage of household goods involved in moves.

(l) It was further part of the conspiracy that members of the Moving Enterprise knowingly charged customers for moving more cubic footage of household goods than was actually loaded by members of the Moving Enterprise, and others known and unknown to the Grand Jury.

(m) It was further part of the conspiracy that members of the Moving Enterprise tracked the “actual” and “real” cubic feet of space that household goods occupied during moves.

(n) It was further part of the conspiracy that members of the Moving Enterprise would send emails to each other containing documents detailing the “actual” and “real” cubic feet used during moves, along with documents detailing the cubic footage that was used to calculate the amount the Moving Enterprise charged to customers for the same moves.

(o) It was further part of the conspiracy that, at times, members of the Moving

Enterprise caused customers' household goods to be stolen while transporting the goods interstate by not delivering the household goods after loading the household goods and receiving payment for moving the household goods.

(p) It was further part of the conspiracy that members of the Moving Enterprise extorted, and caused others known and unknown to the Grand Jury to extort, customers into paying money to the Moving Enterprise by increasing the cost of moves after loading customers' household goods and by refusing to relinquish customers' household goods until customers paid an inflated price for delivery of the household goods.

(q) It was further part of the conspiracy that a member of the Moving Enterprise threatened to injure another person who interfered with the Moving Enterprise's purposes.

28. In furtherance of the conspiracy and to achieve the illegal objective thereof, the following overt acts, among others, were committed in the Southern District of Ohio and elsewhere:
