

Keystone Memorial

Hosted by Fleming Island Golden Eagles Wrestling Team

We are hosting this tournament in honor of Robert "Keystone" Northway a former Fleming Island wrestler that lost his life at the tender age of 16 in a tragic car accident on August 7, 2010. "Keystone" was a fantastic young man who gave his all on the wrestling mat. His work ethic, determination and desire would prove to be the catalyst that has made Fleming Island into the program it is today. He will always be in our hearts and a Golden Eagle Forever.
